You are invited to join the Friends of the Kaufman County Historical Commission, Inc. (Friends of KCHC) in their mission to help preserve and promote the rich history of Kaufman County.

Friends of KCHC is a Texas 501(c) (3) non-profit corporation established in 1997 to promote interest in the county's history and assist in the preservation and protection of objects and sites of historical importance within Kaufman County with financial and organizational support of projects under the direction of the Kaufman County Historical Commission (KCHC). Among the many projects that have received funding and volunteer assistance from the Friends are: Porter Farm Centennial Celebration; Frank Reaugh Art Exhibit & Symposium; annual Historical Ghost Walk; THC Texas Archeology Month activities; County "Poor Farm" restoration; and publication of books on the early histories of Kaufman County and the City of Terrell.

Membership of Friends of KCHC is open to all interested in historic preservation and promoting public education of our valuable historical resources. The annual dues and different membership levels are outlined on the attached form. The general membership meets annually, usually in the last quarter of the year. The Board of Directors serves one-year terms and meet quarterly.

As you know, Kaufman County is experiencing rapid residential, commercial and industrial growth. If we don't act now to preserve and protect our heritage it may be lost to our children and us forever. There are many historical sites in the county that are undeveloped but have the potential to become important attractions. Please join us today. We need your support and participation.

If you would like additional information or have questions concerning the Friends of KCHC organization, please contact Jamie Laywell, Secretary at (972) 563-0709 or e-mail to jjlaywell@aol.com or any Friends board member listed above.
