

THE KAUFMAN COUNTY UPDATE

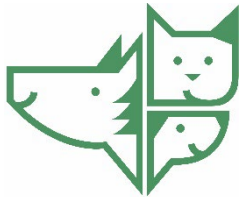

MONTHLY NEWS BRIEFS FROM THE COUNTY SEAT

February 2023

Vol 2, ISSUE 2

Need a New Best Friend?

Adopt or foster an animal from the Kaufman County Pet Adoption Center today!

**HUMANE SOCIETY
OF NORTH TEXAS**

Presently there are dozens of dogs and cats just waiting for a forever home at the Kaufman County Pet Adoption Center. To see the animals available for adoption, simply go to the Humane Society of North Texas' website at www.hsnt.org and click on the Kaufman County Pet

Adoption Center tab at the bottom of the home page. There you will see images of these adorable pets.

BE A FOSTER HERO

If you are not ready to adopt, you may choose to foster animals until they are ready to be adopted. HSNT Foster Heroes provide temporary care for pets that are not ready to enter our adoption program for a variety of reasons. HSNT typically needs foster homes for underage puppies or kittens, moms with litters of babies, and pets that are injured, sick, or scared. The length of time required for each foster varies; it could be a few days or as much as a few months, but the average foster lasts 2 to 6 weeks. More details about being a Foster Hero are available on the HSNT website @ www.hsnt.org.

Kaufman County Pet Adoption Center
1904 US Highway 175, Kaufman, TX 75142
469-376-4120

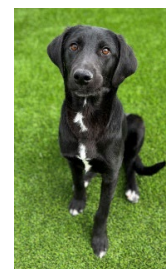

The Pet Adoption Center is owned by Kaufman County and operated by the Humane Society of North Texas. Volunteer opportunities are abundant, so if you have a passion for animals, this is the place to be.

THE KAUFMAN COUNTY UPDATE

MONTHLY NEWS BRIEFS FROM THE COUNTY SEAT

February 2023

Vol 2, ISSUE 2

County Begins Discussions on Historic Courthouse Renovations & Move

County officials recently toured the now vacant historic courthouse on Mulberry Street to start discussions about its future use. Although no decisions were made about which departments will move into the building once it is renovated, the site visit opened the door for an evaluation of each department's needs.

Pictured above is the inside of the vacant Courthouse at 100 W. Mulberry Street in Kaufman.

The purpose of moving departments back into the Courthouse is to provide better access to public services, and to eliminate substantial rental costs for multiple buildings in various locations throughout the city. Currently, The Development Services offices, the Fire Marshal's office, and Information Technology are located at 300 S. Houston Street. Elections, Veteran's Services, Adult Probation and Pct. 1 Commissioner, are in the South Campus building at 3003 S. Washington Street. It is proposed that all those departments will move into the vacant Courthouse once renovations are completed.
